

Postage Services

DATASHEET 2024

Send DM offers a comprehensive range of postage solutions to help businesses optimise their mailing processes and reduce costs. Whether you're running a direct mail campaign or sending out promotional materials, we can help.

We provide a variety of cost-effective postage options to ensure your items reach their destination quickly and efficiently. Our extensive knowledge of postal services and partnerships with major postal carriers ensure timely and accurate mail delivery.

Core Features

Cost-Effective Postage

Our services are tailored to find the most economical postage solutions for your mailing needs, helping you save on every campaign.

International & Domestic Coverage

We offer postage solutions covering domestic and international destinations, ensuring your message reaches customers anywhere in the world.

Flexible Delivery Options

Choose from a range of delivery speeds, including first-class, second-class, and tracked mail, depending on your budget and urgency.

Bulk Mail Discounts

Leverage bulk mailing discounts to reduce postage costs for large-scale campaigns, maximising your return on investment.

Our Services

Mail Sorting & Postage

Efficient mail sorting services to ensure proper categorisation and accurate postage allocation for each mailing.

International Postage

We handle the complexities of international mailing, ensuring smooth delivery to overseas recipients.

Bulk Mailing

Take advantage of our bulk mailing services to access discounted postal rates, perfect for large-volume campaigns.

Tracked Postage

Ensure secure delivery with our tracked mail services, offering peace of mind by providing detailed tracking information for important deliveries.

Service Benefits

Reduced Costs

Our postage services help you minimise mailing costs, especially for large-scale campaigns, through bulk rates and optimised mailing routes.

Reliable Delivery

Our strong partnerships with major postal carriers ensure that your mail is delivered reliably and on time domestically and internationally.

Customisable Options

We offer a variety of postage services to meet different needs, including tracked, untracked and bulk mailing, allowing flexibility based on your specific requirements.

Hassle-Free Shipping

We handle all the logistical challenges of international shipping, ensuring your items reach their global destinations without delay.

Why choose Send DM

- Expertise in Direct Mail campaign execution.
- Competitive pricing for both large-scale and smaller mailings.
- Personalised service, from Start to Send.

A close-up photograph of a person's hands in a red uniform with blue and white stripes on the sleeves, inserting a white envelope into a red postbox. The postbox has "EAST" embossed on it. The background is blurred, showing a street scene with cars and buildings.
